REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance claim 1, is that the prior art of record does not teach the winding area which retains a consumer tort that includes a disposable container and a disposable core located within the container and aligned with the access openings. And that the printed web is wound directly onto the core inside the container so that the wallpaper produced by the printer is wound onto the core and packaged as argued by applicant (the Remarks, page 10, seventh paragraph).

The limitations in the claim is not rendered obvious by any proper combination of the prior art known to the Examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Nguyen whose telephone number is (571) 272-2169. The examiner can normally be reached daily from 9 AM to 5PM.
